Side Panel 1

Hello! This is Kouchi Kaede.

Thank you for picking up Volume 15.

Just like Volume 14, we present this to you in the new style.

This time,
Akane and Aoi
weren't shown
on the cover, so
maybe it was a
bit difficult to
recognize.

Did you have any trouble finding it at the bookstore?

This time,
we also use
the color
front cover
from the main
magazine
for the
first time.

That's why those of you who also read the magazine might think, "Well, I think i've seen the color cover before."

Sorry about that...(>.<)

When we planned the cover this time, we actually made a rough draft first. But after we thought about the content of the magazine...

It turned out side by side like this.

"If we use this design, the style is not different from the last color front cover.

And maybe most of the readers are new to this series, so let's use it!"

Thus, we decided to use it again. With that said, it doesn't mean that we can always use the same designs.

So perhaps in volume 16, we'll go back to drawing a new cover like before.

My Assistants and Meals
This is a story about the time when I worked back in my hometown.

When we worked at home, my assistants would bring whatever side dishes they liked for meals.

One assistant, who's been working with me the longest, often bought seared tuna with avocado.

We had them over rice like donburi.

The truth is, love you too, Matsunagasan...

APFERMORE

Thank you for reading this until
the end. In Volume 15, we had
Matsunaga-san finally making his
move, and the arrival of his brother.
It has been slow progress, but with
this, I feel like the conclusion is inching
closer. The brother is the "Last Boss"
of the arc, so when his issues are
resolved, I think I can focus on drawing
the four main charactersMatsunaga, Shiharu, Akane and Aoi.
Oh well, I don't want to end the
story abruptly, though...

It won't be too long now, but I'd be happy if you stay with me until the end. See you then!

Yours, Kouchi Kaede.
